

More Problems

Ordering of callbacks?

- <https://github.com/FigBug/Gin/blob/master/modules/gin/utilities/realtimesyncupdater.cpp>

Potential solution based on ask-frequency?

• Template parameter for timer interval?

More Problems

- Ordering of callbacks?
 - <https://github.com/FigBug/Gin/blob/master/modules/gin/utilities/realtimeasynccupdater.cpp>
 - Potential solution based on a lock-free queue?
- Template parameter for timer interval?

Real-time Trade-offs
