

AI is a tool, not a feature

AI

• statement separation

• `/vcdl/instrument swapping`

• EQ/compression/mixing/mastering effects (often need multiple tracks)

• Generative AI (MIDI/drums/vocals/music from text)

AI

AI is a tool, not a feature

- Stem separation
- Vocal/instrument swapping
- EQ/compression/mixing/mastering effects (often need access to multiple tracks)
- Generative AI (MIDI/drums/vocals/music from text)
