```rust
pub(super) struct PthreadMutexAttr<'a>(pub &'a mut MaybeUninit<libc::pthread_mutexattr_t>);

impl Drop for PthreadMutexAttr<'_> {
    fn drop(&mut self) {
        unsafe {
            let result = libc::pthread_mutexattr_destroy(self.0.as_mut_ptr());
            debug_assert_eq!(result, 0);
        }
    }
}
```

Rust

Rust

```rust
pub(super) struct PthreadMutexAttr<'a>(pub &'a mut MaybeUninit<libc::pthread_mutexattr_t>);

impl Drop for PthreadMutexAttr<'_> {
    fn drop(&mut self) {
        unsafe {
            let result = libc::pthread_mutexattr_destroy(self.0.as_mut_ptr());
            debug_assert_eq!(result, 0);
        }
    }
}
```
